Patent Committee

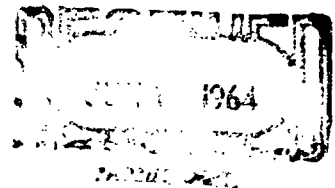

In view of the transfer of J. F. Herr to the Pipe Department as of June 1, I have nominated H. L. Rucker as the P & FM Division liaison with the Patent Committee. *initialed DS.*

He will attend all Patent Committee meetings whether or not I am able to be present, and will work with John Stelmah in transmitting and reviewing new inventions.

MEMORANDUM

RE: Patent Committee Membership

Please note the following change in membership of the Patent Committee:

L. R. Blair is no longer on the Patent Committee.
He is replaced by J. H. Swensen. D. Nolin remains the alternate for Mr. Swensen.

FUTURE MEETINGS

The purpose of this memorandum is to provide advance information regarding Patent Committee meeting dates as presently scheduled through January 1965, and the general categories of subject matter to be considered at the respective meetings.

The Committee will meet in the large conference room at the Research Center on the third Wednesday of each month, except July and August, starting at 9:00 A.M. and concluding by 3:00 P.M. at the latest, but usually by 11:30 A.M. The schedule has been arranged to avoid conflicts with managers luncheon

MTC 017313

meetings and to accommodate members from locations other than the Research Center. Please note that the starting hour has been changed to 9:00 A.M., instead of 10:00 A.M. The complete schedule follows. Please mark your calendars and make every effort to attend.

<u>Date</u>	<u>Patent Attorney</u>	<u>General Subject Matter to Be Considered</u>
2/19/64	J. J. Kelly	Pipe Division; Asbestos Fiber Division; Mineral and Glass Wool Fiberization by Spinning (Including Rotary and Burner Combinations) and Direct Formation of Products Thereof; Basic ACE Responsibility; Air Filter and Expanded Mat Items.
3/18/64	R. Halvorsen	Building Products Division & Flooring Division.
4/15/64	R. G. Simkins	Industrial Insulations and Inorganic Chemicals.
5/20/64	D. S. Olexa	Celite Division; Dutch Brand Division; Dutch Brand and Central Plastics Research Department; Glass Fiber, and Miscellaneous Organic Chemical Items.
6/17/64	J. Stelmah	Packings, Friction Materials, and Textile Division; Glass Textiles, and Miscellaneous Mechanical Items.
9/16/64	J. J. Kelly	Pipe Division; Asbestos Fiber Division; Mineral and Glass Wool Fiberization by Spinning (Including Rotary and Burner Combinations) and Direct Formation of Products Thereof; Basic ACE Responsibility; Air Filter and Expanded Mat Items.

Patent Committee Meeting

The Patent Committee will meet in the large conference room on the third floor at the Research Center, Wednesday, February 19, 1964, starting promptly at 10:00 a.m. to discuss the invention submissions assigned to J. J. Kelly, relating primarily to subject matter of the following Divisions and Departments: Pipe Division; Asbestos Fiber Division; Mineral and Glass Wool Fiberization (Rotary Combinations); and ACE.

The items to be considered at this meeting are listed in the attached agenda. Each representative should check the agenda in advance and be prepared to advise the Committee regarding items which are his responsibility or concerning which he has special knowledge.

You are urged to attend. If there are difficulties regarding attendance, please notify the writer.

Patent Committee

We will be glad to have Mr. Fox represent Fiber Glass insulations on the Patent Committee. May I suggest that he arrange, if possible, to attend those meetings which schedule inventions dealing with your Division. I will see to it that the Patent office gives him advance notice.

RE: Patent Committee Meeting

Thank you for your letter of January 8, suggesting that J. S. Parkinson represent Fiber Glass Textiles on the Patent Committee and that H. A. Fox continue to represent Fiber Glass Insulations.

This suggested arrangement suits us fine. Mr. Fox has always been a very cooperative and helpful member of the Committee, and J. S. Parkinson has assured us that he will be pleased to serve on the Committee in the capacity suggested, and of course we shall welcome his doing so.
