Subject: Requested change in Statement signed July 13, 1988.

In the past few weeks, while preparing for my deposition hearing, (Wannen v. Dow), I have been reminded of an error involving American Cyanamid as a former VCM supplier. (2nd page, 10th line.)

Since I was citing the recollection of an extremely reliable co-worker, I am sure now that the error was mine and not his. Since my telephone notes are not to be found, and I cannot be sure of the supplier's name, please strike the last sentence of the first paragraph, page 2.

Please forgive this unfortunate mistake.
