Subject: Thank you!

Mr. Jackson,

Thank you again for sitting down with me today and discussing the open position. Coming from Montana, I know full-well the value of protecting the environment, as well as the importance of a state's natural resources to not only local communities, but worldwide. It's definitively a delicate balance and it would be an honor to be part of the team that helps bring the EPA back to the basics.

I feel I can create value for the team as Administrator Pruitt's scheduler. I do well in fast paced environments and enjoy fitting all the different dynamics of a schedule together- making sure the day-to-day runs smoothly as well strategically planning for the overall objective. I believe my past scheduling experience with Rep. Rehberg and now at Koch has really prepared me for this opportunity.

Thank you again for taking time to meet with me, as I know it is limited and valuable. I look forward to hearing back about next steps.

Best,
Maddy
