X-RAY INTERPRETATION COURSE

In the interest of determining our present status and to forecast the requirements of our plant physicians for continued courses in the interpretation of x-rays at the Johns Hopkins Hospital, would you please provide me with the following information:

1. List the names of the physicians who have attended this course.
2. List the names of the physicians who have not, and indicate those who you wish to schedule in the future. If possible, indicate the year you wish to schedule them, and the time of year, i.e., spring or fall.
