Mechanics

The CCAR-GreenLink® Virtual Shop is only a graphic representation of a conceptual service and repair facility. CCAR-GreenLink® presents the CCAR-GreenLink® Virtual Shop only to illustrate subjects which call for environmental program management and not as an illustration of good facility layout and design practices.

The Coordinating Committee For Automotive Repair (CCAR®) is providing the information contained in the CCAR-GreenLink® Virtual Shop and the related databases as a public service. CCAR® believes that the information is correct and accurate, as of the date posted, and has no reason to believe otherwise.

However, CCAR® does not guarantee the correctness or accuracy of the information, and will not be responsible for incorrect or inaccurate information, or any damage or loss suffered by any person as a result of reliance on such information.

The information presented relates to environmental programs of the Federal government. Regulations, and rulings, of state and local governments may apply in lieu of, or in addition to, the Federal rules, and should be reviewed before taking any action in reliance on this information.
