Subject: RE: Conf Call on EPA Region 6 NPDES Permit Issue

Tim,

Why don't we see about a call. I am very busy with Hurricane Harvey but would be happy to touch base on where we are on the Oil & Gas GP. Crystal will help us find a time to talk.

Subject: Conf Call on EPA Region 6 NPDES Permit Issue

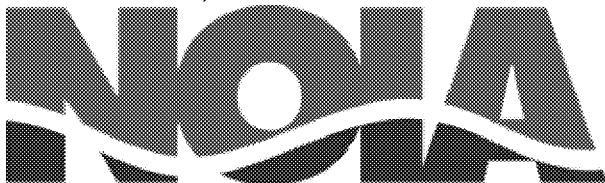

Lee,

We wanted to see if you would have time to follow up on the NPDES issue in Region 6 later this week. We are down to a month out for the deadline and wanted to make sure that we are on track. Since our last meeting/call, we have met with Region 6 staff and have a strong sense that EPA is making progress, would just like to check with you on anything which may put that progress in danger.

Is there time between 12 and 4 pm on Thursday, August 31st which might work for a call?
