Gentlemen: Attention Mr. J. W. English
Plant Engineer

We are pleased to submit our bid for the erection of Blast Furnace Baghouse, covering excavation, placing of concrete foundations, reinforced concrete for beams, columns and panel walls for construction of baghouse including built-up Asbestos Roof, according to the plans and specifications submitted to us, in the amount of

Proposal (A), Purchaser to furnish sand and gravel,
Twenty Four Thousand Six Hundred Fifty Eight Dollars, ($24658.00).

Proposal (B), Contractor to furnish sand and gravel,
Twenty Five Thousand Seven Hundred Eighteen Dollars, ($25718.00).

Work to start at once after being given contract.

Time for completion of the work will be four months.

Respectfully submitted,

Hayward & Betzel.

By M. F. Betzel
M. F. Betzel.
