Mr ADRIAN D. JOYCE, President,
The Glidden Company,
Cleveland, Ohio.

Dear Sir:

Will you kindly refer to our correspondence about your having registered with the Trade Mark Bureau of the National Paint, Oil & Varnish Assn the word ANACONDA for Dry Lead and Lead in Oil. Your last letter on the subject is May 26th.

As I said before, I am at a loss to understand why they accepted your registration, when they already had ours. However, I have had the matter up with our people, who think that while it would be preferable to have your registration annulled, it will conserve our legal rights if you transfer your registration to us, as you suggested. If you will kindly do this we shall be obliged.

Yours very truly,

Director of Sales
