

1 Q And you have read some of his work?

2 A I have read some.

3 Q The jury heard about him yesterday, and the
4 plaintiffs are going to call him as a witness.

5 Are you aware back in 1964 he was writing
6 articles for the world to see where he claimed
7 asbestos was not toxic?

8 Did you ever see any of those articles?

9 A I am not familiar.

10 Q All right. I won't ask you any more about
11 them then.

12 Doctor, we all have asbestos fibers, and you
13 already told the jury that?

14 A Right.

15 Q You, me, everybody on the jury?

16 A Right.

17 Q It is a naturally occurring element, isn't
18 it?

19 A Right.

20 Q It is in rocks. We go rock climbing, you
21 move a rock, even today asbestos is going to be
