SUBJECT: NOTICE
OF MEETING

To Members of the Red Lead Technical Committee:

There will be a meeting of the Red Lead Technical Committee of the Lead Industries Association on Monday, September 29, 1958, at 9:30 A.M. in the offices of the Association.

One of the most important subjects to be discussed will be the 1959 program and budget and we sincerely hope that each member will come prepared to present his recommendations.

A complete agenda for the meeting will follow.

If the date selected for the meeting does not meet with your approval, will you please let us know as soon as possible so that other arrangements can be made.

Sincerely yours,

David M. Borcia
