Re: Order #14681 - Req. El Paso-CD-5090

We are sending you herewith in duplicate Instructions and Parts Lists which were received from the Worthington Pump and Machinery Corporation covering equipment being supplied under the above numbered order.

The supplier is being reminded that these specifications should have been transmitted to this office in quadruplicate and we are requesting two (2) additional copies of same, one (1) of which will be forwarded to your Office as promptly as possible.
