ANSWER OF ABEX CORPORATION TO PLAINTIFF'S INTERROGATORIES

NOW COMES ABEX CORPORATION, Defendant in the above-captioned action and files this its answer to the Interrogatories served by Plaintiff, with each answer being numbered the same as the Interrogatory to which it refers:

1. Yes.

1(a). Trade names and their place of manufacture at Winchester, Virginia are as follows: Abex, American Brakeblok, Crossing Guard, Esline, Stopper, 121 Super Brakes, American Eagle, Velvetouch (S.K. Wellman) from 4/63 to 8/71, certain private brands. Trade names and their place of manufacture at Salisbury, North Carolina are as follows: Abex, American Brakeblok, Esline, Stopper, certain private brands.

1(b). Defendant objects to answering part B of Interrogatory numbered 1 on the grounds that providing an answer to said inquiry would require an oppressive amount of compilation of data at great expense inasmuch as said requested information is not stored in computerized files and to retrieve the requested information would require either the duplication of a massive number of documents or the overburdensome and expensive summarization of the information contained on said documents. Moreover, the information sought to be discovered calls for the release of trade secrets.
