Subject: Call Today with Administrator Pruitt

Hi Mr. Cathy,

I'm Administrator Pruitt's new scheduler. Mr. Pruitt wanted me to reach out to you and see if we could reschedule for another time. Mr. Pruitt has been sick all week and is still feeling under the weather. I apologize for any inconvenience this may have caused. Please let me know who I can work with on your staff to find a new time.

Appreciate your help!

Best,
Maddy
