We aren't certain what his day and evening will be like on the 15th-- he will be traveling with the President. (Cool, huh?!) As soon as we have more details we will try to line this up. Pls contact me at hale.michelle@epa.gov later next week and hopefully I will know more!

When I was with Scott Sunday evening at the RAGA Dinner event, he suggested I contact you to set up a dinner I am proposing with him. This would include myself (whom Scott knows as a former PA AG), DC AG Karl Racine, Ben Wilson (a DC attorney who is a close friend of Karl's and Scott might enjoy knowing as the Uncle and current father figure of Seattle Seahawks Quarterback Russell Wilson), Rick Smotkin again from Comcast, myself and my son-in-law Russ LaMotte (who just succeeded Ben Wilson as managing partner of the law firm Beveridge & Diamond).

Any possibility that Scott might be available in DC the evening of Wednesday, March 15? We could also do Thursday, March 16, but Ben would not be available then, and I would need to check further with Karl. Thanks for checking this out for us.
