Thank you for your patience—I know this is extremely frustrating, especially since it is the last minute.

The committee told me we are still on; however, this is subject to change. I will ask for a FIRM yes or no in the morning.

Subject: POSSIBLE Hearing Delay

Importance: High

Nominees—the Senate may wrap up its business tomorrow night and leave early for the Jewish holiday (which the Senate was planning to already be out Thursday and Friday). This would result in the hearing being postponed. We are working with EPW and Leader McConnell's office to push this week's hearing or get a alternative. We should have clarity this evening.

I would advise you to continue with your travel plans. If your family is scheduled to come, I would advise them to cancel their plans. I am sorry for this last minute change.
