Epidemiologist
U. S. Post Office and Court House
5th and Walnut, Room 509
Cincinnati, Ohio

Dear Mr. Lemen:

During your recent visit to the East Texas Chest Hospital, you mentioned various slides you had prepared concerning the Pittsburg Corning Asbestos Plant. As you know, we are most interested in the asbestos study and your slides would assist us greatly.

If you are in a position to furnish us with these slides, please know we will make good use of them.

Sincerely,

Grady Faulk, Jr.
Administrator, Technical Programs
