Mr. E. W. Webb,
Ethyl Gasoline Corp.,
Chrysler Bldg.,
New York, N. Y.

Dear Mr. Webb:

" The results of my telephone conversation with Mr. Shake will be found enclosed in this letter. I send the letter which he has written to me along with it for any value which it may have to you.

My only regret in this matter is that it appears to me that in my efforts to do something for Mr. Bingham, I probably placed the Corporation in a position which increased the magnitude of the final settlement. I am very sorry that this occurred, but I trust I may have learned something by it.

Very truly yours,
