Thanks Ryan and we understand. Any chance Ken Wagner could speak to the MLPA?

Administrator Pruitt's travel plans for this Wednesday and Thursday are now very up in the air due to some new directions from the WH. I just unable to confirm getting to the speaking event Thursday. Originally Pruitt was planning to be on travel outside of D.C. Thursday. Now it doesn't appear that's the case and I have to put some other plans in place of that. Maybe I could suggest someone else, but I'm not able to attend with this new development.

I'm trying to make this work. Trey mentioned it as well. I usually can't get away for speaking engagements especially during the day. So if you need to plan immediately within two weeks and make other arrangements, I can entirely understand that.

Hey Ryan,

Hope you are well.

Was asked to follow up with you on an invitation to speak from the MLP Association.

MLPA is holding their annual meeting at the Willard Hotel from September 28-29.

They would like to have you speak during their lunch hour on Thursday, September 28 designated from 12:15 pm and 1:30 pm.

Realizing that your schedule can be hectic and that you may not be able to stay for the entire lunch period, MLPA would be delighted if you could come anytime in the window and make some brief remarks.

Attached are the relevant documents. Many thanks for your consideration Ryan.

Dear Mr. Jackson,

On behalf of the Master Limited Partnership Association (MLPA), www.mlpassociation.org, I would like to invite you to be our Keynote luncheon speaker at our Annual Meeting and 30th Year Celebration on September 28 at the Willard Intercontinental Hotel. Lunch is between 12:15 and 1:30 and you could speak at any time during that time period - prepared remarks and, if you would be willing, some Q&A. We particularly would be interested in your thoughts on EPA's priorities, changes to regulations that affect the energy industry, and how EPA's policies could impact MLPs.

Attendees will consist of our membership, including MLPs, law firms, accounting firms, investment banks and financial advisors, many of whom are your constituents. I have attached a link to our current membership: <https://www.mlpassociation.org/about-us/current-members/>. The event is not open to the press.

I know your schedule is hectic and unpredictable, but if there is any chance you might be able to speak to my membership that would be fantastic. I know they would be thrilled.

Thank you so much for considering this request. I also have attached a formal invitation.

Please let me know if you have any questions or need additional information.

Best,

Lori
