Samantha – great meeting you – appreciate the meeting. Spoke to Puneet and he has sent you detailed information on CTG's; should be in your inbox. Please let me know if you don't have it. We would be happy to come by and discuss in detail. Thanks again, take care

Bill,

It was great meeting you today. Thanks for taking the time to come and talk to us.

As Administrator Pruitt mentioned, it would be great to see the list of CTG's you referred to. Do you have those at the ready to send over?

Thanks again,

Samantha
