Re: Resource Conservation and Recovery Act (RCRA) Compliance Evaluation Inspection (CEI)

EPA ID: GA7170023694

Dear Maria Jones:

On February 25 - 27, 2025, the U.S. Environmental Protection Agency, along with the Georgia Environmental Protection Division (GAEPD), conducted a CEI at Marine Corps Logistics Base located in Albany, Georgia to determine the facility's compliance status with RCRA and applicable regulations.

Enclosed is the EPA RCRA inspection report which indicates that deficiencies of RCRA were discovered during the inspection. A copy of this report has been forwarded to the GAEPD for follow-up and further review.

If you have any questions regarding this matter, please contact George McBroom, of my staff, by phone at (404) 562-8170 or by email at mcbroom.george@epa.gov.
