

1 Q And where did you work?

2 A The post office.

3 Q And when did you retire from the post
4 office?

5 A March 12th, 1990.

6 Q Now, when -- how was your health before you
7 retired?

8 A Fine until my husband got sick.

9 Q So -- we notice that you walk with the use
10 of a walker today.

11 What are your medical problems right now?

12 A Well, when he got sick, I wanted to do
13 everything that I possibly could to make him feel
14 better because he was suffering so bad.

15 Bathe him, shave him, anything that you
16 could do to a baby and just try to make it pleasant,
17 make meals so he would try to eat something because
18 when he got that asbestos cancer, he didn't want to
19 eat. He lost weight, and he said he felt so bad. He
20 just wanted to sit down and the two of us was crying
21 together.
