Hello hello,

Sorry for the quick ask/turnaround—can you look at the **Ex. 5 Deliberative Process (DP)** Ex. 5 Deliberative Process (DP)? I'm going to look at the old comms plan as well, but I'm not sure if the contact info is still correct.

 **Ex. 5 Deliberative Process (DP)**

Thank you,
Adesh

Subject: FOR REVIEW: Presidential Exemption - Notification List
Importance: High

Hi Everyone,

At 3:00 today we are planning to announce the ability for industry to request a Presidential Exemption under section 112(i)(4) of the Clean Air Act for nine of our air toxics rules:

- MATS
- HON
- EtO Sterilizers
- Rubber Tire Manufacturing
- Primary Copper Smelting
- Integrated Iron & Steel
- Lime Manufacturing
- Coke Ovens

- Taconite

I've assembled a notification list that I pulled from our communication plans for each rule announcement.

Ex. 5 Deliberative Process (DP)

The deadline is **ASAP**. My apologies for the short turnaround.

Thanks so much, and please let me know if you have any questions.
