General Office

Tyler Plant Employee
Medical Examination Reports

Mr. E. W. Holman
Pittsburgh Corning Corporation

I have received copies of the subject reports from Dr. Hurst and assume that copies have been sent to Mr. Van Horne, who will see that each person is sent a copy of the report per agreement with Mr. Steven Wodka of OCAW at our January 6, 1972, meeting in Tyler with him and NIOSH. Please advise me when this has been accomplished.

I have not heard from NIOSH on the results of either the Port Allegany medical study or the Tyler x-ray review. If you wish, I will write to Dr. William Johnson inquiring about the delay in receiving these reports. Please advise.
