Dear Ms. Salam

Thanks for the invitation to speak with you about this study. However, I have already spoken to Susan Scutti of CNN and she has written a story about this, which you can find at <http://www.cnn.com/2017/07/25/health/sperm-counts-declining-study/index.html>.

Sincerely,

Michael L. Dourson, Ph.D., DABT, FATS, FSRA

Subject: New York Times story on sperm count study

Hi, Michael. I'm Maya Salam with The New York Times. I was hoping you'd have a few moments to chat today or tomorrow about the results of this new sperm count study: <https://academic.oup.com/humupd/article/doi/10.1093/humupd/dmx022/4035689/Temporal-trends-in-sperm-count-a-systematic-review>
Shouldn't take more than 10 minutes of your time. Please let me know if you're available.

Thanks,

Maya Salam
