

Interoffice Communication

To VCM Plant Employees
From J. A. DeBernardi
Date January 7, 1980
Subject Theft of Plant Property

The purpose of this letter is to inform you that the theft of 92, 3/4" Durco screwed type plug valves has been discovered. The theft occurred sometime between November 30, 1979 and December 21, 1979 from the area in front of the Industrial Construction fab shop west of the main plant cooling tower. Estimated value of this material is over \$8,000.

Plant employees having any information that may lead to the recovery of these valves and/or the apprehension of the person or persons responsible for the theft are requested to contact me or Mr. John Newsom (Ext. No. 1164) in Conoco's Houston Security Division, or the Calcasieu Parish Sheriff's Department. A reward will be given to anyone supplying information that leads to the recovery of this material.

A handwritten signature in cursive script, appearing to read "J. A. DeBernardi".
