

HISTORY

The business of Southern States Iron Roofing Company commenced with a partnership formed in 1914. February 6, 1926, the business was incorporated under the laws of the State of Georgia under the name of Southern States Iron Roofing Company. December 31, 1942, the present corporation was organized under the name of Southern States Iron Roofing Corporation, which acquired all of the shares of stock of Southern States Iron Roofing Company. Southern States Iron Roofing Corporation continued as a holding company until December 1, 1943, when Southern States Iron Roofing Company was merged into Southern States Iron Roofing Corporation and the name of the latter corporation was changed to Southern States Iron Roofing Company.
