Dear Doctor Kitzmiller:

In the case of [REDACTED] we do not feel that your department should be responsible for the bills for medicines and ointments [REDACTED] has been submitting to you.

[REDACTED] ng benefits from our Mutual Benefit Association and his medical bills are his own personal responsibility.

I am sorry about the delay in answering Dr. Kehoe's letter but I discussed this with Mr. Weber of Cincinnati and felt that the matter had been properly taken care of.

Very truly yours,

W. P. Edmunds M.D.
