Chest Headquarters moved to San Mateo

George H. Atkinson, president of Community Chest of San Mateo County, announced today that the county headquarters of the chest have moved to the King Building, 1117 South B Street, San Mateo, from 301 Lorton Ave., Burlingame.

Atkinson said the new quarters will provide adequate floor space. The new offices provide much better lighting facilities; also, room to hold board meetings as well as committee meetings. The additional space is especially needed during campaign time when many volunteers assist at the Chest.

The new location is in the Hayward Park residential district and will eliminate the parking problem for the Chest Staff, the Chest Board, the Committee members, and others who frequently visit Chest Headquarters.
