EPA Administrator Pruitt External Meeting Request Form.docx

Hey Jim-

Sounds like a good opportunity if the Admin is available that week. I'm copying our scheduling guru, Hayley Ford. Do you mind filling out the attached events request form and Hayley will be in touch when it gets a little closer to that date. Also, perhaps you can indicate on the form whether or not they would be willing to travel to EPA for a meeting?

Good morning Tate and Stephen,

Following up on the meeting a couple of weeks ago with Mr. Pruitt, I'm wondering if there's a chance he'd be willing to stop by our Government Affairs Committee meeting here in DC. Mostly it would be an opportunity for our association to personally thank him for his leadership on important issues for us such as WOTUS and pesticide re-registrations. There will be about 35 leaders from around the country in attendance.

Details:

Wednesday January 24

Anytime between 8:30am and 12:30pm

500 North Capitol Street

Offices of McDermott Will & Emery

Thanks for your consideration.

Regards,

Jim

Dear Aaron,

Please see below our draft invitation for Administrator Pruitt's event. Let us know by COB Friday if you would like changes. We would like to begin promoting this early next week. If you have people you would like us to invite please send along names and email addresses. Additionally, I am looping in our public affairs office (Maria) for any media you might want to include.

Just to confirm, this event will be live streamed, on the record. A video will also be posted to our website after the fact. If this is of any concern to your office let me know.

Lastly, as we get closer to the date let me know about any special arrival, hard stop time, etc.

Anything else just let me know.

We look forward to hosting Administrator Pruitt.

Best,  
Paige
