The Honorable Scott Pruitt
United States Environmental Protection Agency

Dear ~~Administrator Pruitt,~~ *Scott,*

I first want to congratulate you and thank you for defending the decision to withdraw from the Paris Protocol. It is a great service to the American people not only in the near term but for decades to come. Your leadership on this issue, both as Attorney General and now as EPA Administrator, has been intellectually strong and steadfast. I look forward to seeing what comes next!

Secondly, I would like to invite you to come speak at the Heritage Foundation. Your unshaken focus to operate the agency through cooperative federalism, to welcome transparent and objective cost-benefit analysis, and to champion free market solutions to environmental challenges is admirable. We would very much enjoy giving you a platform to discuss these issues and more, or if you prefer, hold a moderated discussion.

Should you have any questions, please do not hesitate to contact Nick Loris, Research Fellow for Energy and Environment, at 202-608-6204 or Nick.Loris@heritage.org. Thank you for your consideration, and I look forward to welcoming you to the Heritage Foundation.

Onward!

Sincerely,

with admiration!

Edwin J. Feulner, Ph.D.
President
