He did speak in 2023, and the attendees loved him! With his recent conversations with the NM Governor on LNG and NM announcements on geothermal, we would be so stoked to have him back. Thank you for your consideration.

Please let me know if you have any questions.

Please let me know if there is anything we can do to support you.

Thank you -

Hi Missi!

I hope you are doing well.

Thank you so much for the invitation and for reaching out, it is great to be connected.

I believe he has spoke at NMOGA before and really appreciated the invitation. I'm attaching a speaking request form if you wouldn't mind completing that and sending it back to Ruby and I.

We haven't quite confirmed our schedule for the fall but once we have that form I will make sure to get this in front of our team.

Thank you and talk soon.

Izzy
