Internal Correspondence

To : William Wong

Date: July 24, 1985

From : E.H. Pronske

Copies : W. Wang, A. Yu

Subject : Asbestos Information Agency (AIA)
Attached Letter Dated July 17, 1985

RECEIVED

JUL 24 1985

11:50.....

The above letter is a last-effort attempt to get J-M to reconsider its withdrawal from the AIA. As you know, the AIA is a Washington Lobby organization that works with government agencies in matters regarding the use of asbestos-cement.

After reading the AIA letter, I see no reason to alter the decision for us to withdraw.

Please advise your final thoughts.
