Hi Nick,

I am good to calendar the 2:45 meeting with you and your Chief of Staff from our end (the app folks are working hard on the demo to show you guys!). Does 2:45 tomorrow still work for you? I think you mentioned 25 minutes so I'll just list it as 2:45 – 3:10? Hollyn Schuemann from our team will also join. I'll send you the invite and if you could send to your internal folks that would be great.

Thanks!
Laura

Hi Nick and Nate,

I had you added to the firebase distribution list for the Explore250 app testing. You should have just gotten an email. The download process is a bit cumbersome, but no way around that process currently until we go live. Please let me know if you have any questions.

Many thanks!
Laura
