Hey Lyndsay,

Thank you for making such a last minute change! I'm glad that you got to meet Millan!

As for October, we have some travel that we are trying to work through right now and tomorrow is actually my last day here at the EPA. I am looping in Maddy who will be taking over for me. She can help with facilitating moving forward.

Thank you!

Sydney,

Thank you again for your assistance in setting up this meeting, and I'm glad we could ultimately make it work this morning with the new time. Also, it was nice to meet your sister who escorted us to the meeting!

Administrator Pruitt mentioned several specific items he would like our organizations to provide input on. Additionally, the CEOs and senior leaders who attended today's meeting have also requested the opportunity to meet with him again in a few months – especially as EPA is still staffing up and some specific items discussed in the meeting are still underway – making it appropriate to check in at a later date.

Given the challenges in getting this meeting scheduled, could we start now to identify a time that might work, say, in October?

Very Best,

Lyndsay

Hi Sydney:

Unfortunately, several CEO's Monday schedules were rearranged to accommodate the 12noon meeting time, so unfortunately, I think we need to stick to that time at this point. How much time will that leave us?

Also, can you let me know who else from EPA will be attending the meeting?

Thanks so much,

And delete Ian Goldstein. Laura will attend instead of Ian.

Can you confirm that you have made this change?

**Subject:** RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, June 19 at 12 noon. As soon as you have the list, please forward to me so that security will have the passes ready for your visit. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

**Directions:** If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12<sup>th</sup> street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building**.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

Confirming we can make 12noon work. Can you let me know logistics and arrival information for the meeting? I'll send over a re-confirmed attendee list next week.

We would welcome staff from the air office and perhaps budget staff to join the meeting.

That will be a fast trip from the airport for Mr. Pruitt!
