We Sell --- Good Paint

We sell the famous Basa-Hueter pure paints because there is nothing on the market that wears as well, retains its color or gives the same universal satisfaction.

It is the cheapest paint on the market not only because we sell it for less than other paints are sold for, but because it goes further and lasts longer than anything you can buy.

Any color you need is here—in large amounts or small quantities, and the price is the lowest—cheaper here because our rent is ridiculously low.

We handle wall paper, varnishes and brushes, and they are sold at correspondingly low prices.
