

SOLARIMPULSE FOUNDATION

Congratulations !

Dear Eric

Congratulations, we are pleased to announce to you that your application was successful and **ExxFire - green industrial fire suppression has been awarded the Solar Impulse Efficient Solution Label !**

You can now access the [Assessment Summary Report](#), which includes valuable comments and feedbacks from the external independent Experts who have evaluated your application. In addition, your Solution has been added to our 1000+ Solutions portfolio and it is now published on our website.

[**View my Solution**](#)

As part of our **1000+ Solutions Community**, we are glad to share with you some useful onboarding information.
