

Without waiving these objections, see Response to Interrogatory No. 39.

43. Please state the names and addresses of all persons employed by defendant from 1930 until the present time who functioned as industrial hygienists. As contemplated by these Interrogatories, an industrial hygienist is one who performs engineering or health studies to identify, and evaluate potential occupational health hazards and suggest methods of dealing with same. Please state:

(a) The facility or office to which they were assigned and the inclusive dates.

(b) Their complete and precise duties and responsibilities.
