Lucy,

Many thanks for entertaining our request and apologies that our original invitation never made it to the Secretary's office. We had routed it through another contact to Winn Radford.

Thank you for your consideration. Please reach out if you have any questions.

Best,
Nidhi

Lucy,

Please see the attached request. I have copied Nidhi from CEBA on this email.

On behalf of the Clean Energy Buyers Association (CEBA), I am honored to extend an invitation to Secretary Burgum or a delegate to join the Clean Energy Buyers Association Board of Directors and leadership team for a closed door discussion on March 5, 2025 at 5:00 PM (cocktails) or 6:30 PM (dinner). The event will be held at Dauphine's restaurant in Washington, DC. Alternatively, CEBA would welcome the Secretary to join our board meeting on March 6, 2025 between 9 am - 12 pm, at his convenience. CEBA's more than 400 members comprise one-fifth of the Fortune 500, represent more than \$22 trillion in market capitalization, and include institutional energy customers of every type and size – hydrocarbon developers, heavy industrials, hyper-scalers, advanced manufacturers, major agricultural producers, consumer brands, and enormous retailers. Our members, including Exxon, Walmart, Amazon, Cargill, Microsoft, Google and others, are committed to unlocking new market opportunities to bring firm carbon emissions free resources to scale to serve growing needs for load growth for energy security and energy abundance to support the 21st century industries of America.

Thank you,
John
