1. PERFORMANCE OF THE WORK

1.1 Definitions

- 1.11 The term "work" as used in this Agreement means, unless the context otherwise requires, all work to be performed by CONTRACTOR under this Agreement.
- 1.12 The term "Facility" as used in this Agreement means the product of the work, such as an improvement to real property, designs or data.
- 1.13 The term "material" or "materials" as used in this Agreement means all material, supplies and equipment to be incorporated into the Facility.
- 1.14 The term "affiliate" as used in this Agreement means Standard Oil Company of California or any company in which Standard Oil Company of California owns directly or indirectly at least 51 percent of the shares entitled to vote at a general election of directors.
- 1.15 The terms "indemnitee" and "indemnities" as used in this Agreement mean respectively COMPANY, one of its affiliates or the agent or employee of COMPANY or one of its affiliates and all of them.
- 1.16 The terms "subcontractors" and "vendors" as used in this Agreement mean subcontractors or vendors of any tier.

1.2 Independent Contractor: CONTRACTOR shall be an independent contractor, maintaining complete control over CONTRACTOR's men and operations.

1.3 Specifications: CONTRACTOR shall perform the work, including the provision of materials, in accordance with the specifications and exhibits (if any) which are a part of this Agreement and such additional drawings and explanations as COMPANY may provide to CONTRACTOR from time to time to detail and illustrate the work.

1.4 Permits: Unless otherwise provided in this Agreement, CONTRACTOR shall secure all permits, make all cash and other deposits, provide all bonds and give all notices required by law in connection with the work.

1.5 Items to be Provided by CONTRACTOR: Unless otherwise provided in this Agreement, CONTRACTOR shall provide all materials, utilities, consumable supplies, tools, construction equipment, and labor, including supervision, necessary for the completion of the work.

1.6 Safety Measures: CONTRACTOR shall perform the work in accordance with safe practices, taking all reasonable precautions to protect the Facility and adjacent facilities, workmen and the public and providing, where reasonably necessary, barriers, guards, temporary bridges, lights and watchmen. While on the premises of COMPANY or its affiliates all of COMPANY's safety rules shall be strictly observed; in particular, smoking shall be limited to such locations and occasions as are specifically authorized in writing by COMPANY. CONTRACTOR shall not perform or permit any act on the premises of COMPANY or its affiliates which involves a fire or explosion hazard, including welding, torch cutting and disposal of debris by burning, without prior written consent of COMPANY.

1.7 Suppliers

1.71 COMPANY may nominate bidders for the supply of certain items of material. CONTRACTOR shall request bids on these items from the nominees, and may obtain such other bids as CONTRACTOR may elect.

1.72 COMPANY may have available for sale certain materials not products of COMPANY. CONTRACTOR shall purchase such materials offered by COMPANY and its designated affiliates as long as such material is suitable and is competitively priced.

1.73 When the work includes purchasing certain materials, CONTRACTOR shall be fully responsible for ordering, expediting, receiving and safeguarding (subject to the provisions of Section 5.3 of these Terms and Conditions) all such materials, and for conducting all competitive bidding by and negotiations with the vendors thereof and for paying for materials and enforcing of warranties, unless otherwise provided in this Agreement.

1.8 Labor

1.81 CONTRACTOR shall employ labor from that available in the vicinity of the work, and in accordance with the terms of employment prevailing in that vicinity, to the extent that it is practicable and consistent with the timely and efficient prosecution of the work.

1.82 CONTRACTOR shall use all reasonable efforts to avoid any disturbances in the existing labor situation which will adversely affect the business of COMPANY, its affiliates or other contractors working in the area.

1.9 Carriers: In connection with transportation of purchased materials, CONTRACTOR shall give consideration to, but shall not be limited to, use of carriers recommended by COMPANY.

2. COMPENSATION

2.1 Changes: COMPANY may make "changes" by adding to, omitting or deviating from the requirements of this Agreement. In the event COMPANY issues any written directive which is not identified as a Change but which CONTRACTOR considers to be a Change, CONTRACTOR shall so notify COMPANY in writing within 10 days after receipt of such directive. If no such timely notice is given, CONTRACTOR shall proceed in accordance with such directive without any adjustment in compensation. If COMPANY originally identifies the directive as a Change, or if CONTRACTOR gives such timely notice and COMPANY agrees that such directive is a Change, CONTRACTOR shall within 10 days after giving such notice or after receipt of the directive advise COMPANY of its proposed adjustment in compensation and COMPANY and CONTRACTOR shall attempt to agree in writing on an appropriate adjustment in compensation resulting from the Change. After such agreement is reached, CONTRACTOR shall proceed with the Change. However, if such notice is given or if COMPANY originally identified the directive as a Change, and in either instance COMPANY and CONTRACTOR fail to agree on whether or not such directive is a Change or fail to agree on an appropriate adjustment in compensation, then COMPANY may issue a written request for CONTRACTOR to proceed in accordance with such directive without such agreement. CONTRACTOR shall comply with such written request, but such compliance shall not prejudice either party's claim that the directive is a Change or, as the case may be, claim for an appropriate adjustment in compensation. After the written request to proceed is issued, any adjustment which is to be made to the compensation shall be determined in accordance with the Exhibit-Compensation Adjustment.

2.2 Taxes: CONTRACTOR shall pay, and CONTRACTOR's compensation provided for hereunder includes an allowance for, all State, Federal and other payroll taxes, including contributions and taxes assessed against employees on wages earned in connection with the work, and CONTRACTOR shall make all reports required by governmental authorities. CONTRACTOR shall also pay, and CONTRACTOR's compensation provided for hereunder includes an allowance for, any and all other taxes now or hereafter imposed by any governmental authority upon, measured by or incident to the performance of this Agreement or the purchase, storage, use or consumption by CONTRACTOR of materials, utilities, consumable supplies, tools or construction equipment used in the performance of this Agreement, unless the applicable laws specifically provide that such tax be paid by COMPANY.

2.3 Acceptance of Facility: Where provision is made by law for recording Notice of Completion, COMPANY may indicate its Acceptance of the Facility by recording such Notice; otherwise Acceptance shall be on the date COMPANY gives written notice to

CONTRACTOR that it is satisfied that the Facility has been completed in accordance with all requirements contained in this Agreement. Acceptance by COMPANY or payment hereunder shall in no way relieve CONTRACTOR of any obligation or liability under this Agreement.

2.4 Terms of Payment

- 2.41 At the end of each calendar month during the progress of the work, and upon completion of the work, CONTRACTOR shall be entitled to receive 85% of the compensation provided herein for that part of the work performed, including provision of materials, during that month. CONTRACTOR shall be entitled to receive the balance 35 days after Acceptance, provided that there are no undischarged or unsecured liens, attachments or claims in connection with the work. COMPANY may require, as a condition to payment of the balance, that CONTRACTOR submit evidence by receipted bills, releases and waivers of lien rights or otherwise, that all costs incurred by CONTRACTOR and his subcontractors (if any) in connection with the work have been paid.
- 2.42 Whenever CONTRACTOR is entitled to payment as provided above, COMPANY or CONTRACTOR (as specified on the first page [facing sheet] of this Agreement) shall prepare a statement of amounts so payable. Such statement shall be itemized and in such form as COMPANY and CONTRACTOR agree provided that such statement shall show the total compensation for that part of the work performed, including provision of materials, to the date of the statement, less 15% (except in the statement of the balance) and less previous payments. COMPANY shall pay CONTRACTOR the amount so payable, subject to COMPANY's audit of the statement, and subject to the provisions of Section 2.41 of these Terms and Conditions dealing with final payment of the balance, by check mailed within 20 days after the date payable or, when statement prepared by CONTRACTOR is received after the date payable, within 20 days after receiving CONTRACTOR's statement.

DELAYS

- 3.1 Site Readiness: CONTRACTOR shall ascertain from COMPANY that the site is ready before sending materials or workmen thereto.
- 3.2 Delays, Suspensions and Extensions: COMPANY may require CONTRACTOR to suspend performance hereunder completely or partially for whatever length of time COMPANY may elect. The time for completion shall be extended by each period that CONTRACTOR is delayed by (a) COMPANY or another independent contractor who is directly responsible to COMPANY (unless such delay is due to CONTRACTOR's default, for example, as provided in Sections 4.1 and 4.2 of these Terms and Conditions); (b) an act of God or the elements; (c) any other cause beyond CONTRACTOR's reasonable control; or (d) a labor disturbance.
- 3.3 Damages Due to Delays and Suspensions: COMPANY shall not be liable for any damages, direct, consequential or otherwise, suffered by CONTRACTOR due to delays and suspensions, but where CONTRACTOR is not in default CONTRACTOR shall be entitled to reimbursement for reasonable direct costs caused by delays and suspensions to the extent such delays and suspensions are caused by COMPANY and other independent contractors who are directly responsible to COMPANY. CONTRACTOR shall be obligated to proceed with the work notwithstanding a dispute on reimbursement; such action shall not prejudice either party's claim with respect to reimbursement.

INSPECTION, CONDEMNATION, STOPPING WORK

4.1 Inspection

- 4.11 Inspection by COMPANY: COMPANY may visit and inspect the work and materials, or any part thereof, at all times, and CONTRACTOR shall provide safe and proper facilities therefor. CONTRACTOR shall at all times during working hours keep a competent man in the immediate vicinity of the work areas to receive communications from COMPANY and to supervise the performance of this Agreement. When COMPANY determines that a work area is unsafe, COMPANY may stop the part of the work affected until the unsafe condition is corrected.
- 4.12 Inspection by CONTRACTOR: Whenever any part of CONTRACTOR's work depends on existing work or work or material provided by COMPANY or others, CONTRACTOR shall inspect and measure such other work or material and promptly notify COMPANY of each defect or discrepancy in such other work or material which may render it unsuitable for proper execution of CONTRACTOR's work or proper functioning of the Facility. If CONTRACTOR fails to notify COMPANY's representative of any such defect or discrepancy before performing CONTRACTOR's dependent work, and such defect or discrepancy would have been discovered in the course of a reasonably thorough visual inspection and measurement, COMPANY may condemn the work or material involved and CONTRACTOR shall correct such defect or discrepancy on the same basis as if it were defective work by CONTRACTOR under Section 4.2 of these Terms and Conditions.

- 4.2 Condemnation: COMPANY may condemn materials provided by CONTRACTOR and all parts of CONTRACTOR's work which are unsound or defective or fail in any way to conform with the requirements of this Agreement. CONTRACTOR shall begin to remove and replace such materials or work within 24 hours after receiving notice thereof from COMPANY. CONTRACTOR shall bear all costs involved in the removal and replacement of such materials and work and in the repair and replacement of any other materials and work necessarily damaged by such removal and replacement. If CONTRACTOR is requested by COMPANY to uncover any part of the Facility for inspection, the cost of uncovering and covering any such part not specifically requiring inspection under this Agreement shall be borne by COMPANY unless the part so uncovered is not in compliance with the requirements of this Agreement.

4.3 Taking Over and Stopping Work

- 4.31 Should CONTRACTOR default in any way in the performance of this Agreement, including failing, refusing or neglecting to supply sufficient material to be supplied by CONTRACTOR hereunder, or tools, or properly skilled workmen to complete the work with reasonable diligence, for 5 days after written notice of such default to CONTRACTOR, COMPANY may, at any time thereafter, take over and complete the work. The cost to COMPANY of completing the work shall be deducted from the unpaid part of CONTRACTOR's compensation. If such cost exceeds any such amount, CONTRACTOR shall reimburse COMPANY for such excess cost. The action by COMPANY of taking over and completing the work shall not constitute a waiver of or election among any other rights or remedies that COMPANY may have against CONTRACTOR.
- 4.32 Should CONTRACTOR or its creditors seek relief under any insolvency law, or CONTRACTOR be adjudged a bankrupt, COMPANY may at any time thereafter terminate this Agreement and take over and complete the work as provided in Section 4.31 of these Terms and Conditions, except that any payments due from CONTRACTOR to subcontractors or vendors in connection with the work may be made by COMPANY to such subcontractors or vendors, and be deducted from the amounts otherwise due to CONTRACTOR.
- 4.33 COMPANY may, in its absolute discretion, stop the work at any time, but where CONTRACTOR is not in default, COMPANY shall pay CONTRACTOR for all parts of the work done, including materials provided, in conformity with the requirements of

CHEV B8 5854

this Agreement, plus an amount for reasonable and verified costs of CONTRACTOR incurred in preparation for the parts of the work not yet performed and in shutting down his operations hereunder, plus an amount for a reasonable part of the profit CONTRACTOR would otherwise have earned; provided, that the amounts payable under this Section 4.33 shall in no event exceed the unpaid part of CONTRACTOR's compensation.

5. LIABILITY

- 5.1 General Liability: CONTRACTOR shall indemnify and save harmless the indemnitees from and against any and all loss, damage, injury, liability, and claims thereof for injury to or death of a person, including an employee of CONTRACTOR or an indemnitee, or for loss of or damage to property (except property subject to Sections 5.2 and 5.3 of these Terms and Conditions), resulting directly or indirectly from CONTRACTOR's performance of this Agreement, including, but not limited to, the use by CONTRACTOR of staging or other equipment provided by COMPANY or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, one or more of the indemnitees, except to the extent that such indemnity is void or otherwise unenforceable under applicable law in effect on or validly retroactive to the date of this Agreement and except where such loss, damage, injury, liability or claim is the result of active negligence or willful misconduct of an indemnitee and is not contributed to by any act of, or by any omission to perform some duty imposed by law or contract on, CONTRACTOR, its subcontractor or either's agent or employee.
- 5.2 Liability for Property of COMPANY and its Affiliate: CONTRACTOR shall be liable to COMPANY and its affiliates for any loss of or damage to the property of COMPANY and its affiliates (other than the property subject to Section 5.3 of these Terms and Conditions) resulting directly or indirectly from CONTRACTOR's performance of this Agreement, regardless of the negligence of COMPANY, its agents, employees, and affiliates, except to the extent that such liability is void or otherwise unenforceable under applicable law in effect on or validly retroactive to the date of this Agreement; provided, however, that CONTRACTOR's liability under this Section 5.2 shall be limited to the applicable insurance which CONTRACTOR carries or has others carry and which shall not be less than that provided in Section 6 of these Terms and Conditions.
- 5.3 Liability for the Facility and Materials: CONTRACTOR shall exercise due care and diligence in the performance of this Agreement and in the care and protection of the Facility and materials. At COMPANY's option, CONTRACTOR shall reconstruct, repair or replace any part of the Facility or materials lost or damaged by any cause whatsoever, including but not limited to those referred to in Section 3.2 of these Terms and Conditions, wherever said loss or damage occurs including loss or damage to materials while in transit. In such event COMPANY shall reimburse CONTRACTOR for the costs of such reconstruction, repair or replacement in excess of \$1,000 for each occurrence or in excess of the coverage of any applicable insurance which CONTRACTOR may elect to carry or have others carry, whichever is greater, except costs incurred in reconstruction, repair and replacement of work or materials subject to condemnation by COMPANY prior to loss or damage (whether or not such condemnation was effected) under Section 4.2 of these Terms and Conditions, and except costs incurred in order to meet the guarantee(s), if any, contained elsewhere in this Agreement. CONTRACTOR also shall be paid a reasonable profit on that part of such reconstruction, repair or replacement for which cost reimbursement is made. COMPANY shall not be liable for loss or damage to construction equipment, tools, temporary structures, temporary excavations or supplies owned or used by CONTRACTOR or its subcontractors.
- 5.4 Compliance with Laws and Regulations: CONTRACTOR shall comply with all laws, regulations, decrees, codes, ordinances, resolutions, and other acts of any governmental authority, including Federal and State labor and tax laws, which are applicable to this Agreement and CONTRACTOR's performance hereunder, and shall indemnify and save COMPANY and its affiliates harmless from and against any and all loss, damage, injury, liability and claims thereof resulting directly or indirectly from CONTRACTOR's failure to do so.
- 5.5 Liens: CONTRACTOR shall discharge at once or bond or otherwise secure against all liens and attachments which are filed in connection with the work and shall indemnify and save COMPANY, its affiliates, and the owners of the premises on which the work is performed harmless from and against any and all loss, damage, injury, liability and claims thereof resulting directly or indirectly from such liens and attachments.
- 5.6 Patent Rights: CONTRACTOR shall indemnify and save COMPANY and its affiliates harmless from and against any and all loss, damage, injury, liability and claims thereof for any patent infringement resulting directly or indirectly from CONTRACTOR's performance of the work, including provision of material and designs by CONTRACTOR, and use of tools and other equipment by or for CONTRACTOR in any connection therewith.
- 5.7 Costs and Attorneys' Fees: CONTRACTOR shall promptly pay (a) to any indemnitee all costs and attorneys' fees incurred by such indemnitee resulting directly or indirectly from any and all loss, damage, injury, liability and claims for which CONTRACTOR is obligated to indemnify such indemnitee pursuant to Sections 5.1, 5.4, 5.5 or 5.6 of these Terms and Conditions, and (b) to COMPANY all costs and reasonable attorneys' fees in any legal action in which COMPANY or its affiliate prevails, in whole or in part, brought against CONTRACTOR based on a breach of this Agreement.

- 6.2 Policy Endorsements: The above insurance shall include a requirement that the insurer provide COMPANY with 30 days' written notice prior to the effective date of any cancellation or material change of the insurance. The insurance specified in Section 6.11 of

these Terms and Conditions shall contain a waiver of subrogation against the indemnitees. The insurance specified in Sections 6.12, 6.13, 6.14 and 6.15 of these Terms and Conditions shall

No representations by or oral agreement with any agent or employee of COMPANY, either before or after the execution of this Agreement, shall affect or modify any of CONTRACTOR's rights or obligations hereunder.

RENEGOTIATION ACT OF 1951: If Section 104 applies to this Agreement, this Agreement shall be deemed to contain all of the provisions required by said Section. Superseded by Right-to-Audit Clause, Page 5, attached.

RECORDS: CONTRACTOR and its subcontractors and vendors shall maintain true and correct sets of records in connection with the work and all transactions related thereto. CONTRACTOR and its subcontractors and vendors shall retain all such records for a period of not less than twenty-four (24) months after Acceptance of the Facility.

No director, employee or agent of CONTRACTOR or of any subcontractor or vendor of CONTRACTOR shall give or receive any commission, fee, rebate, or gift or entertainment of significant cost or value in connection with the work, or enter into any business arrangement with any director, employee or agent of COMPANY or any affiliate other than as a representative of COMPANY or its affiliate, without COMPANY's prior written agreement. Any representative(s) authorized by COMPANY may audit any and all records of CONTRACTOR and any such subcontractor or vendor in connection with the work and all transactions related thereto for the sole purpose of determining whether there has been compliance with this paragraph.

COMPANY may from time to time and at any time after the date of this Agreement until twenty-four (24) months after Acceptance of the Facility, make an audit of all records of CONTRACTOR and its subcontractors and vendors in connection with all costs reimbursable under this Agreement. Such audit may also cover CONTRACTOR's procedures and controls with respect to the costs to be reimbursed. Upon completion of this audit COMPANY shall pay CONTRACTOR any compensation due CONTRACTOR hereunder as shown by the audit. Any amount by which the total payment by COMPANY to CONTRACTOR exceeds the amount due CONTRACTOR as shown by the audit shall be returned to COMPANY. Items not covered by reimbursement but by such compensation as fixed percentages or fixed lump sums shall not be subject to audit under this paragraph.

CONTRACTOR shall assist COMPANY in making the above audits.

CONTRACTOR shall require, and shall require all subcontractors and vendors to require, in all agreements in connection with the work the agreement of the parties to the provisions of this Section.

HEADINGS: Headings of Sections and other parts of this Agreement are for quick reference only and are not to be construed as part of this Agreement. In some instances a Section or part contains provisions not covered by the heading thereof; in other instances, a Section or part contains provisions that are described in the heading of another Section or part.

FOR GO-277 SERVICE ORDERS AND
GO-278, GO-279 AND PD-52 CONTRACTS

RECORDS AND AUDITS: CONTRACTOR and its subcontractors and vendors of any tier shall maintain true and correct records in connection with the work and all transactions related thereto and shall retain all such records for at least 24 months after Acceptance.

No director, employee or agent of CONTRACTOR or of any subcontractor or vendor of CONTRACTOR of any tier shall give or receive any commission, fee, rebate, gift or entertainment of significant cost or value in connection with the work, or enter into any business arrangement with any director, employee or agent of COMPANY or any affiliate other than as a representative of COMPANY or its affiliate, without prior written notification thereof to COMPANY. CONTRACTOR shall promptly notify COMPANY of any violation of this paragraph and any consideration received as a result of such violation shall be paid over or credited to COMPANY. (b) The CONTRACTOR agrees to use his best efforts to carry out this policy in the award of his subcontracts to the fullest extent consistent with the efficient performance of this contract. As used in this contract, the term "minority business enterprise" means a business, at least 50 percent of which is owned by minority group members or, in case of publicly owned businesses, at least 51 percent of the stock of which is owned by minority group members. For the purposes of this definition, minority group members are Negroes, Spanish-speaking American persons, American-Orientals, American-Indians, American-Eskimos, and American Aleuts.
