

October 9, 1950

Mr. Hugh M. Jackson
Safety Engineer
Johns Manville Corporation
22 East 40 Street
New York 16, N.Y.

Dear Mr. Jackson:

In reply to your letter of October 4th with reference to a survey of the Asbestos location and the Munro Mine, I think such a survey can be arranged some time in January. If you are able to give me more definite information by December, no doubt we can give you the dates on which we can conduct the survey.

Very truly yours,

W. J. McConnell, M.D.
Assistant Medical Director
Director, Industrial Health Bureau
