Mr. B. J. Pigg
Asbestos Information Institute
1745 Jefferson Davis Hwy.
Arlington, VA 22202

Dear Mr. Pigg:

I've enclosed the correction we ran this past Saturday on the asbestos story.

Again, my apologies.

Very truly yours,

Dylan Landis

An article in Business Day on Feb. 10 incorrectly reported restrictions on the use of asbestos in buildings. Federal law permits the presence of asbestos in a number of building materials, such as floor tiles and roofing products.
