v. The Dow Chemical Company, Union Carbide, et al

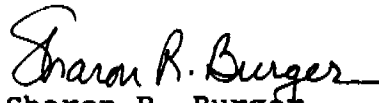

Dear Ms. Griffith:

I am writing to inquire about the status of your search for your notes of conversations you had with Paul Cullinan, Joseph Zalewa and Don Williams about the suppliers of VCM to Monsanto. You mentioned these personal notes several times at your deposition on November 7 and, in particular, I refer you to pages 83 through 90 of the transcript.

Please call me collect or write me a note about your ability to locate these notes. We will gladly reimburse you any reasonable copying expenses.

Thank you in advance for your anticipated cooperation.

Very truly yours,

Sharon R. Burger
