

INTER-OFFICE CORRESPONDENCE

To: Dr. L. B. Grant

Date: February 25, 1974

From: V. A. Sarni

Location: 19 North

Subject: Vinyl Chloride
Monomer

With reference to your subject letter of February 14, I am attaching a report from Mr. R. E. Widing which summarizes the status of various VCM programs in effect in our Division. I believe our programs as identified in this report and in the information you have received at various meetings in which you have participated accomplish the recommendations and observations made in your subject letter of the 14th.

I would appreciate your continued active participation in our work on this and other industrial hygiene control programs.

V. A. Sarni
