1 member?

2 A No, he was not.

3 Q Would a licensee be a member of the Asbestos Study
4 Committee?

5 A They were not but licensees could be members of
6 committees.

7 Q All right. But I'm referring specifically to the
8 Asbestos Study Committee?

9 A There weren't any on the Asbestos Study Committee.

10 Q Could a licensee vote on matters pertaining to the
11 decisions of the -- the FMSI?

12 A No. He could vote on things of his committee if
13 he -- he was on a committee.

14 Q If a licensee wanted to review the information in
15 the files of the FMSI, were they entitled to come in and do
16 that?

17 A I never was faced with the question. I don't
18 know. I think I would have to ask my board.

19 Q All right. Were you aware of a company called
20 EIS?

21 A Yes.

22 Q What was their affiliation with the FMSI?

23 A They were a licensee.
