

1 recognized occupational exposures to asbestos?

2 A Yes, sir.

3 Q And can you tell us what materials you were
4 provided with and what you did?

5 A Well, without reading them off, I had some
6 deposition transcripts from a couple of Mr. Wood's
7 co-workers.

8 Q Mr. Elgia Butler and Mr. Charles Carter?

9 A Yes, sir. I had some information on, and
10 then I got just recently the transcript of their
11 testimony.

12 Q We provided you with their transcript of the
13 trial testimony that they gave here last week?

14 A Yes, sir. Yes, sir. And I had -- let me
15 see. There was some testimony from Mrs. Wood, and
16 there was some -- then I looked at some general
17 scientific literature with regard to brakes and
18 emissions therefrom.

19 Q And the scientific literature that you
20 reviewed, you didn't review it for the first time in
21 connection with this case, did you?
