We could do that! Which day (other than the 3rd) might be good for you all?

Next week doesn't work on our end. How about the first week in May?

Hi Samantha,

So the Administrator is traveling all of this week. Are there times next week that we could look at?

Thank you!

Yes, thank you! We have some issues scheduling the last week in April, so next week would be ideal. Thanks in advance!

Sydney,

Could you please assist us with setting up an introductory meeting between the Administrator and IPAA's President and CEO, Barry Russell? We have several items affecting independent oil and natural gas producers that we'd like to identify and offer our assistance as EPA seeks to address them.

Feel free to reach out to Lee Fuller (cc'd) or myself with any questions. We thank you in advance for the consideration of this request.

Best,

Sam
