Armstrong Cork Company,
Armstrong Contracting & Supply Corp, et al

This application was filed on behalf of Willard R. Crader, Sr., deceased husband of the applicant. Application is made for all benefits due under the Workmen's Compensation Act.

The listing of employers attached to the application shows Armstrong Cork Company as a self-insurer of its workmen's compensation liability for the years 1950-52-53. We wish to advise that we were not self-insured during that period. We were insured by Standard Accident Insurance Company, now the Reliance Insurance Company in 1950 and 1951; and in 1952 and 1953 we were insured by The Travelers Insurance Company.

We ask that you kindly correct your records accordingly.

Very truly yours,

Willard R. Crader, Sr. SS #572-05-5511

10603 Valencia St.
Bloomington, Calif.

This man died March 7, 1966 allegedly from asbestosis.

Date of accident is listed as March 3, 1964

According to application to Industrial Accident Commission of California he worked for Armstrong Cork Company in 1950-52-53-55-56-60 and for AC&S in 1960-61 and 62. As AC&S took over contracting business January, 1958, I believe it is in error that he worked for Armstrong in 1960. - *It was AC+S.*

Will you please give me as much information as you have on this employee - periods of employment and reason for leaving. Go back as far as you can, although I realize that some records have been destroyed.

Then too I would like his weekly earnings for the last year he worked for us, presumably 1962.

Thank you.

In answer to your letter dated July 11 to Mr. Hafferth we attach three copies of a data sheet showing all the information we have available on Willard E. Grader, Sr. Because of our Retention of Records schedule we have nothing prior to 1956. The first date of hire our records show is December 19, 1955 and continues through to May 3, 1962 when his employment was terminated because of "No Work."

We also list his earnings for the last full year he was employed by us.

Also attached is copy of letter dated June 29 to the Workmen's Compensation Appeals Board in Penna correcting information as to our insurance carriers.

ADDRESS

The parties hereto, for the purpose of compromise only, agree as follows:

1. The above-named applicant claim S that WILFORD R. CRADER, SR. (NAME OF EMPLOYEE) while employed at various locations in California xy between January 1938 and 3 March 1966 by various employers (see attached), then insured as to workmen's compensation liability by various carriers (see attached) (STATE NAME OF CARRIER OR WHETHER SELF-INSURED) sustained injury arising out of and in the course of such employment as follows: it is alleged that exposure to irritants at work caused injury to the claimant's lungs and other parts of his body resulting in death.

2. The death of said employee occurred on 7 March, 1966, 19____, as a result of the claimed injury.
3. The actual weekly wages of the employee at the time of claimed injury were in dispute, while average weekly wages (statutory) were _____.
4. Payments of compensation to the employee in his lifetime on account of the claimed injury were none.
5. The applicant herein claims to have been dependent upon said employee at the time of claimed injury, and state S the names, ages, relationship to, and the extent of dependency upon said deceased employee to have been as follows:

NAME	AGE	RELATIONSHIP	EXTENT OF DEPENDENCY
<u>Lola J. Crader</u>	<u>adult</u>	<u>widow</u>	<u>total</u>

FB054802

6. The parties hereby agree to settle any and all claims of said dependent on account of the claimed injury and the death of employee by payment of the sum of \$7,500.00, payable as follows to applicant in lump sum.

1. The parties hereby agree (if such items of expense be claimed) that medical, hospital and burial expense required by reason of the alleged injury and the death of the employee shall be borne as follows: all such expenses by applicant.

2. The name and address of applicant's attorney (if any): Levy, DeRoy, Gaffner & Van Bourg, 437 W. 4th St., Redondo, Cal.

who requests a fee of \$ 1,000.00 , having been previously paid \$ none

3. Reason for compromise serious dispute exists as to the applicant's rights to any compensation. Defendants contend that the decedent's death was neither caused nor aggravated by his employment. The death certificate indicates that the cause of death was probably cerebral aneurism; defendants contend that this has nothing whatsoever to do with his employment or any alleged exposure. The outcome of litigation is therefore hazardous and uncertain
(over)

4. The undersigned request that this compromise agreement and release be approved.

5. Upon approval of this compromise agreement by order of the Industrial Accident Commission, a panel thereof, a Commissioner, or a Referee, and payment in accordance with the provisions of said order of approval, said applicants and each of them do hereby release and forever discharge said employer and said insurance company of and from all claims, demands, actions or causes of action, of every kind or nature whatsoever, on account of, or by reason of the injury and death sustained as aforesaid by the employee, and in particular of any, all and every claim or cause of action which the undersigned, heirs, executors, representatives, or administrators may have had, now have, or shall hereafter have against said employer, said insurance carrier, and each of them under Division IV of Labor Code of the State of California.

6. It is agreed by all parties hereto that the filing of this document is the filing of an application on behalf of the applicant, and that the commission may in its discretion set the matter for hearing as a regular application, reserving to the parties the right to put in issue any of the facts admitted herein, and that if hearing is held with this document used as an application the defendants shall have available to them all defenses that were available as of the date of filing of this document, and that the commission may thereafter either approve said Compromise Agreement and Release or disapprove the same and issue its decision after hearing has been held and the matter regularly submitted.

Re: Our File No: 7158
Insured : Armstrong Cork Company
Claimant : Willard Crader, deceased

Dear Mr. Hofferth:

Your attention is drawn to our inquiry of August 5, 1966, concerning the above matter.

If that inquiry has been misplaced, this is to advise the background of the matter. The widow, in this matter has cited Reliance Insurance Company, in addition to other defendants, alleging a death claim under the Workmen's Compensation Code of the State of California. The Application on behalf of the widow alleges that the deceased was employed by your firm in the periods 1950, 1952 and 1953, for which period you were apparently self-insured. Also from 1955, 1956 and 1960, during which time your coverage was carried by Travelers Insurance Company. Additionally, by Los Angeles Cork Company of 4180 East Washington, Los Angeles, for the period 1955 through 1957, and also by Armstrong Contracting of Lancaster for the years 1960 through 1962, at which time your coverage was again carried by Travelers Insurance Company.

Our concern is for the years 1955 through 1957. Inasmuch as litigation is now scheduled for the early part of November, I would very much appreciate your consulting your records for not only the policy period for the latter dates, but also for the years 1950 and 1951.

I would very much appreciate hearing from you at your earliest convenience.

Yours very truly,

Re: Lola J. Crader vs. Plant Rubber and Asbestos

Dear Mr. Sciaroni:

It has been called to my attention that there is a typographical error in the Compromise and Release Agreements which I prepared in this case. The error involves a contribution of your client, Plant Rubber and Asbestos Company. You had originally authorized a contribution on behalf of Plant Rubber and Asbestos of \$1,040.00. After obtaining some contributions from new defendants, I reduced the amount of your contribution and the other major contributors. I had intended the contribution of Plant Rubber and Asbestos to be \$994.00. Instead, the Compromise and Release Agreements indicate \$944.00, for your employer. Trusting that you will have no objection to correction of this error, I have authorized the Appeals Board to change the contribution of Plant Rubber and Asbestos to \$994.00 as originally indicated. I hope that this does not cause any problems.

Very truly yours,
