Dear Mr. Clarkson:

I have gone over the agreement attached to your letter of August 30 and have found it wholly acceptable in every respect. Therefore, I have forwarded it to the Board of Directors of the University with my recommendation for its approval. I see no reason to suppose that it will not be approved in short order. I shall forward your copy to you as soon as the agreement has been executed.

I should like to express my appreciation of the expedition with which this matter has been handled. Also, for myself and my associates, and on behalf of the University, I should like to express my appreciation of the confidence in our work which is expressed by this relationship.

Cordially yours,

Robert A. Kehoe, M.D.
