Assume the EPA team will run a spell check...I think we had a typo in the word "American" in the draft we sent (yikes!).

Got it. If you have a longer release, we could probably shorten our quote if that helps you. Your call.

Hi Stephen,

I think this should work. We will use this quote in a press release highlighting all the stops Administrator Pruitt makes during his visit to Texas. This quote will be included below the paragraph highlighting his tour of Toyota. I should have a draft of the release written by tomorrow afternoon that I can get in front of you before it's finalized.

Best,

James

"We were pleased to show Administrator Pruitt our new headquarters in Plano, TX and to highlight the environmental sustainability aspects of the new facility. Toyota previously announced it will invest \$10 billion over the next five years in the U. S., and the new headquarters is just

one of those commitments to help grow American jobs.

We appreciate the opportunity to showcase our new Plano headquarters where we will soon have 4,000 team members working in a more collaborative way in order to better serve our customers."

Stephen -- good afternoon. This timeline and rough agenda looks great.

To Tate's point, the Administrator often will not eat at meetings but of course would take no offense to your bringing in lunch for the rest of the group. We shall leave that up to you.

My colleague Forrest, copied here, will travel into Dallas on Wednesday, the 9th and will likely reach out to you in hopes of scheduling a time to do a walk-through of the location.

Kindly let us know if there are any outstanding items we can address for you at this time. We look forward to meeting you next week.

Thank you so much,

Millan

Yes, we can lock in the afternoon of August 10.

Run of show proposal (happy to edit if you guys have something else in mind)

First hour: Tour of new campus with emphasis on environmental sustainability components.

Second hour: Time with 5-8 Toyota executives to discuss

issues ranging from the state of the auto industry, development and deployment of alternative fuel vehicles, CAFE, California ZEV mandate and any other issues of interest to the Administrator.

If needed, we could cut both segments down to 45 minutes.

Thank you.

Hi Stephen,

Thanks for
being
patient with
us as we
figure out
the
schedule. I
believe we
are set for
the 10th,
and we are
planning on
sometime in
the
morning. I
wanted to
loop in Tate
Bennett she
heads up
our External

Millan
Hupp who
heads up
our
Advance

They will
circle back
with you for
more

details.

I appreciate
your help,
and happy
that we
found
something
that
worked!

Toyota visit --
need to
finalize

Maddy,

I have some
Toyota
executives
holding
their
calendars
open for
August 10
to host
Administrator
Pruitt. I'm
not going to
be able to
keep the
calendars
held much
longer. Can
we finalize
the date and
time? We
would very
much like to

host him.
It's less
than two
weeks from
now, so I'll
need a time
to be sure
we can be
proper
hosts!
Thanks.

Stephen
