Thank you Cathy. We are really at the mercy of Presidential Personnel on when start dates occur. Presidential Personnel is run out of the White House. Although we have told the WH you are our choice, they have to approve and provide me your start. We are just waiting.

Hi Ryan! Just checking in on start date in KC. I was planning on first Monday in June...but this vetting thing is taking a while. It's been 3 weeks since I met with you and the administrator. Wondering if I should keep planning for then or if you have other suggestions?

Thanks so much!
